Raffle will be held with proceeds benefiting the charity

Please register by October 1 to:

Patty Peterson, PNC Bank

Patricia.peterson@pncbank.com

412-762-6367

Payment due in pro shop upon arrival.

White Course: Renovated in 2005 with holes dating back to 1922, the White Course will test even the most skilled player. The front nine, par 36, measures 3245 yards from the blue tees. With nearly 40 bunkers on the front side alone, this course provides smaller crowned greens adding to the character and demanding a creative short game.

The back nine, par 36, measures 3099 yards and starts your journey with a straight par 5. Elevation changes and deceptively placed fairway and green side bunkers will challenge your distance control and depth perception. Number 18 is a 492 yard, uphill slight dog leg right, which makes a strong case of being one of the toughest finishing holes in the area. This course will test your creativity.
