
The PASFAA Conference Committee wants you!

In keeping with this year's conference theme, **A Salute to the PASFAA Family**, the charity proceeds collected at our annual conference will be directed to a scholarship fund to benefit students from a PASFAA school. Winning schools will be selected at random during the Conference.

How can I help?

The Basket Raffle has raised over \$5000 in the last two years. This year we ask the members of PASFAA to donate a basket.

What do I do?

Join with your coworkers, colleagues, friends, or any committee to donate a basket to be raffled at the Conference. There will be various prizes awarded for the baskets. We ask that each basket have a minimum \$25 value.

For your convenience, empty baskets will be available at both Spring Training locations. Please consider taking a basket to fill. We thank you in advance for your generosity!
