

Monday Evening Events
October 7th, 2019@ 8:00pm

Choose an activity when registering. These FOUR options are bound to peak your interest!

Sector Pumpkin Carving (FREE):

Which sector will carve the coolest, scariest, or just plain different pumpkin? Get your team together and start planning! Pumpkins and carving tools will be provided so bring your ideas and skills and let the best sector win.

Painting and Sip (\$11):

Spend a relaxing evening with friends and colleagues while tapping into your inner Rembrandt (or Picasso). Follow our instructor and create your own masterpiece. This is a great way to network with new friends as you try to figure out why your painting looks more like an ash tray than the intended subject.

Wine and Chocolate Tasting (\$20):

After all, you are in Hershey! Enjoy Chocolate and tasting of local wines while networking with your peers and discussing your favorite sessions of the day. Sign up early for this popular event!

Monday Night Football (FREE):

The Eagles and Steelers will be taking this Monday off. You can join your friends for the 49ers vs. Browns game at the Bears Den. The Bears Den is open to the public not just PASFAA attendees.
