This is an ecosystem:

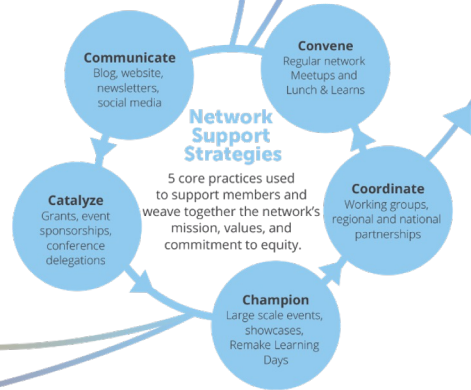

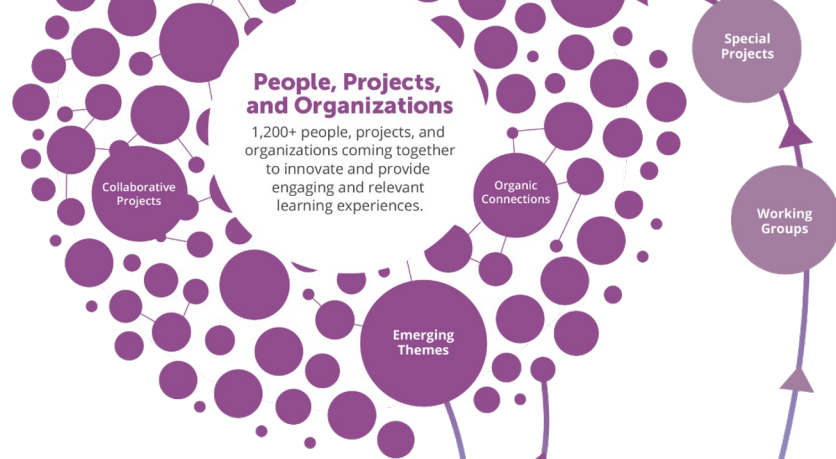

The background consists of several horizontal, wavy bands of color. From top to bottom, the colors are: a bright lime green, a medium green, a light green, a light blue, a medium blue, a dark purple, a medium purple, and a light purple. The bands are slightly irregular and overlap, creating a layered, abstract effect.

This is a network:

Remake Learning is a free, peer network for educators in the greater Pittsburgh region. The network helps connect people, projects, and organizations so they can share best practices, collaborate, and find funding and professional learning focused on engaging, relevant, and equitable learning.

The 5 Cs

Network Support Strategies

We communicated to our network about the work

We championed this effort in our region to recruit pre-college programs and connect the work to other networks

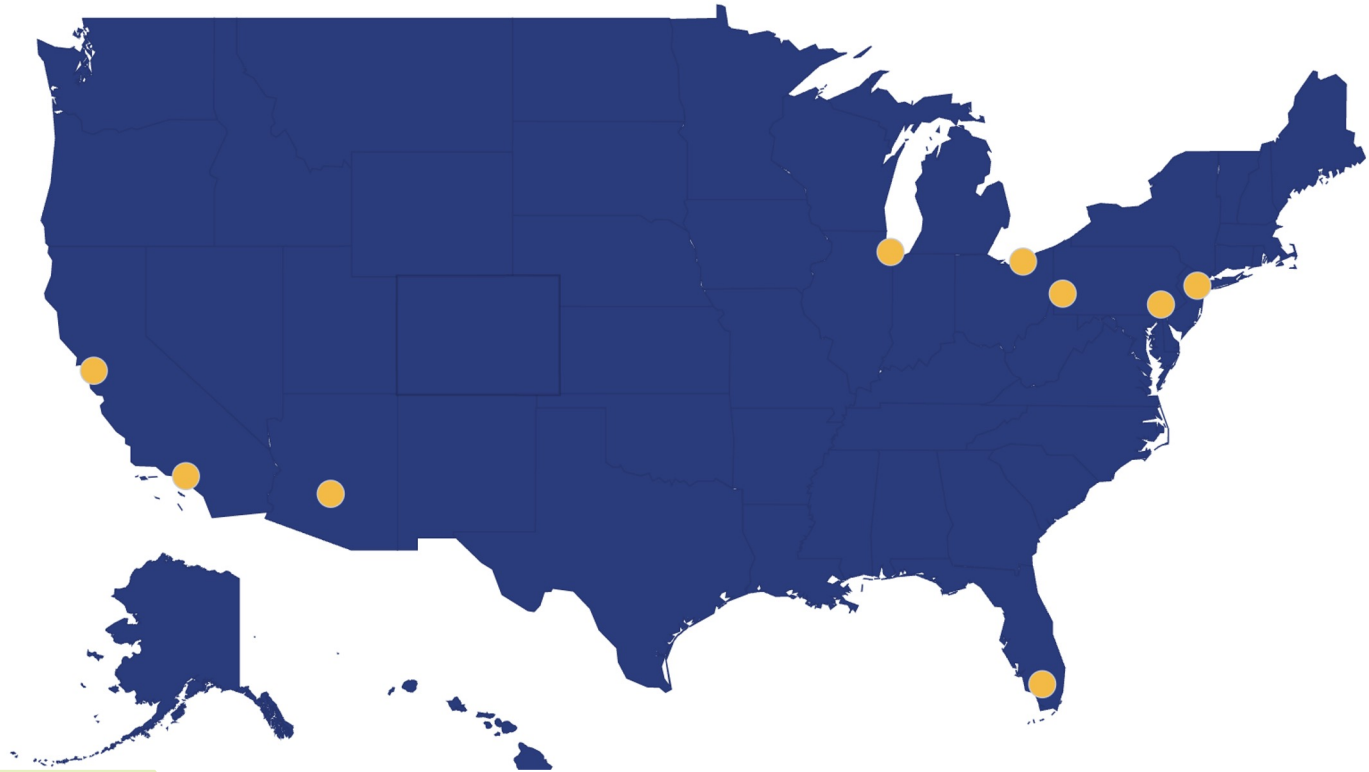

We also produced the playbook that is being shared to show how ecosystems can do this work.
