## What are we doing?

The 2018 annual conference will celebrate the 50<sup>th</sup> anniversary of PASFAA and Council has expressed the desire to have a history of PASFAA in place.

Throughout the upcoming year, the Committee will be working on a variety of tasks, gathering as much information as possible before the 2018 50<sup>th</sup> Anniversary conference

## What are we doing?

Among other things, over the next year we want to:

- Complete a timeline and actual written Association history.
- Collect stories of PASFAA's founding.
- Create video interviews with Past-Presidents and other significant people.
- Develop a display of historical items for the 50<sup>th</sup> conference.

See our Annual Report for a more comprehensive list of tasks.

## How can you help?

- Submit your favorite PASFAA stories from conferences, your own Association work, the founding of PASFAA, or anything else that might be useful for the history. We can't guarantee that everything will get used, but we are interested in any contributions. If you have contact with any 'lost' PASFAA members (especially Past-Presidents) who might have valuable input, please give us that person's contact information.
- Complete template of your PASFAA service when announced.
- Do you have historical items that could be used for the display at the 50<sup>th</sup> anniversary conference? Consider loaning them to us.
- Do you have any other ideas that would enhance the work of this committee and the final history?

If you can help with any of the above, be in contact with any committee member.
