  - Schools still have authority to select additional students and items of their choosing for verification

- SNAP and Child Support Paid removed as individual verification items under V1, V4 or V5
Due to DRT concerns, we are providing institutions with flexibilities they may choose to use as part of their verification procedures for 2016-2017 and 2017-2018:

- **IRS Tax Return Filers** – In lieu of using the IRS DRT, or obtaining an IRS transcript, institutions *may* consider a signed paper copy of the 2015 IRS tax return that was used by the tax filer for submission to the IRS as acceptable documentation to verify FAFSA/ISIR tax return information.
Verification of Nonfiling – Institutions are no longer required to collect documentation obtained from the IRS or other tax authorities verifying that the applicant, the applicant’s spouse or the applicant’s parents did not file a 2015 tax return

- Nonfilers must still provide - a signed statement certifying that the individual has not filed and is not required to file and a listing of the sources of any 2015 income earned and any W-2s, if applicable

In addition, GEN-17-04 serves as the guidance for alternative documents when a taxfiler is unable to obtain a tax transcript (replaces the 10/18/16 electronic announcement)
Use of Documents from 2016-17

- School can use verification documents from 2016-2017 to meet 2017-2018 requirements for the following items:
  - Adjusted Gross Income (AGI); U.S. Income Tax Paid; Untaxed Portions of IRA Distributions; Untaxed Portions of Pensions; IRA Deductions and Payments; Tax Exempt Interest Income; Education Credits; Income Earned from Work

  - Number of Household Members
  - Number in College
  - Identity/Statement of Educational Purpose
2017-18 Verification Tracking Groups: Data Elements & Documentation

- Student will be assigned to a verification group, which determines the items to verify
- ISIR will include verification flag and an asterisk (*) next to EFC

**School Selects**
- Schools may select students not selected by the Dept.
- May use the same data elements and documents as the Dept., or something else
- Written policy must address how school selects students and what they will verify
