THE POWER TO DO GREAT THINGS

[LEARN MORE ▶](#)

THE PITTSBURGH FOUNDATION works to improve the quality of life in the Pittsburgh region by evaluating and addressing community issues, promoting responsible philanthropy and connecting donors to the critical needs of the community.

The Foundation

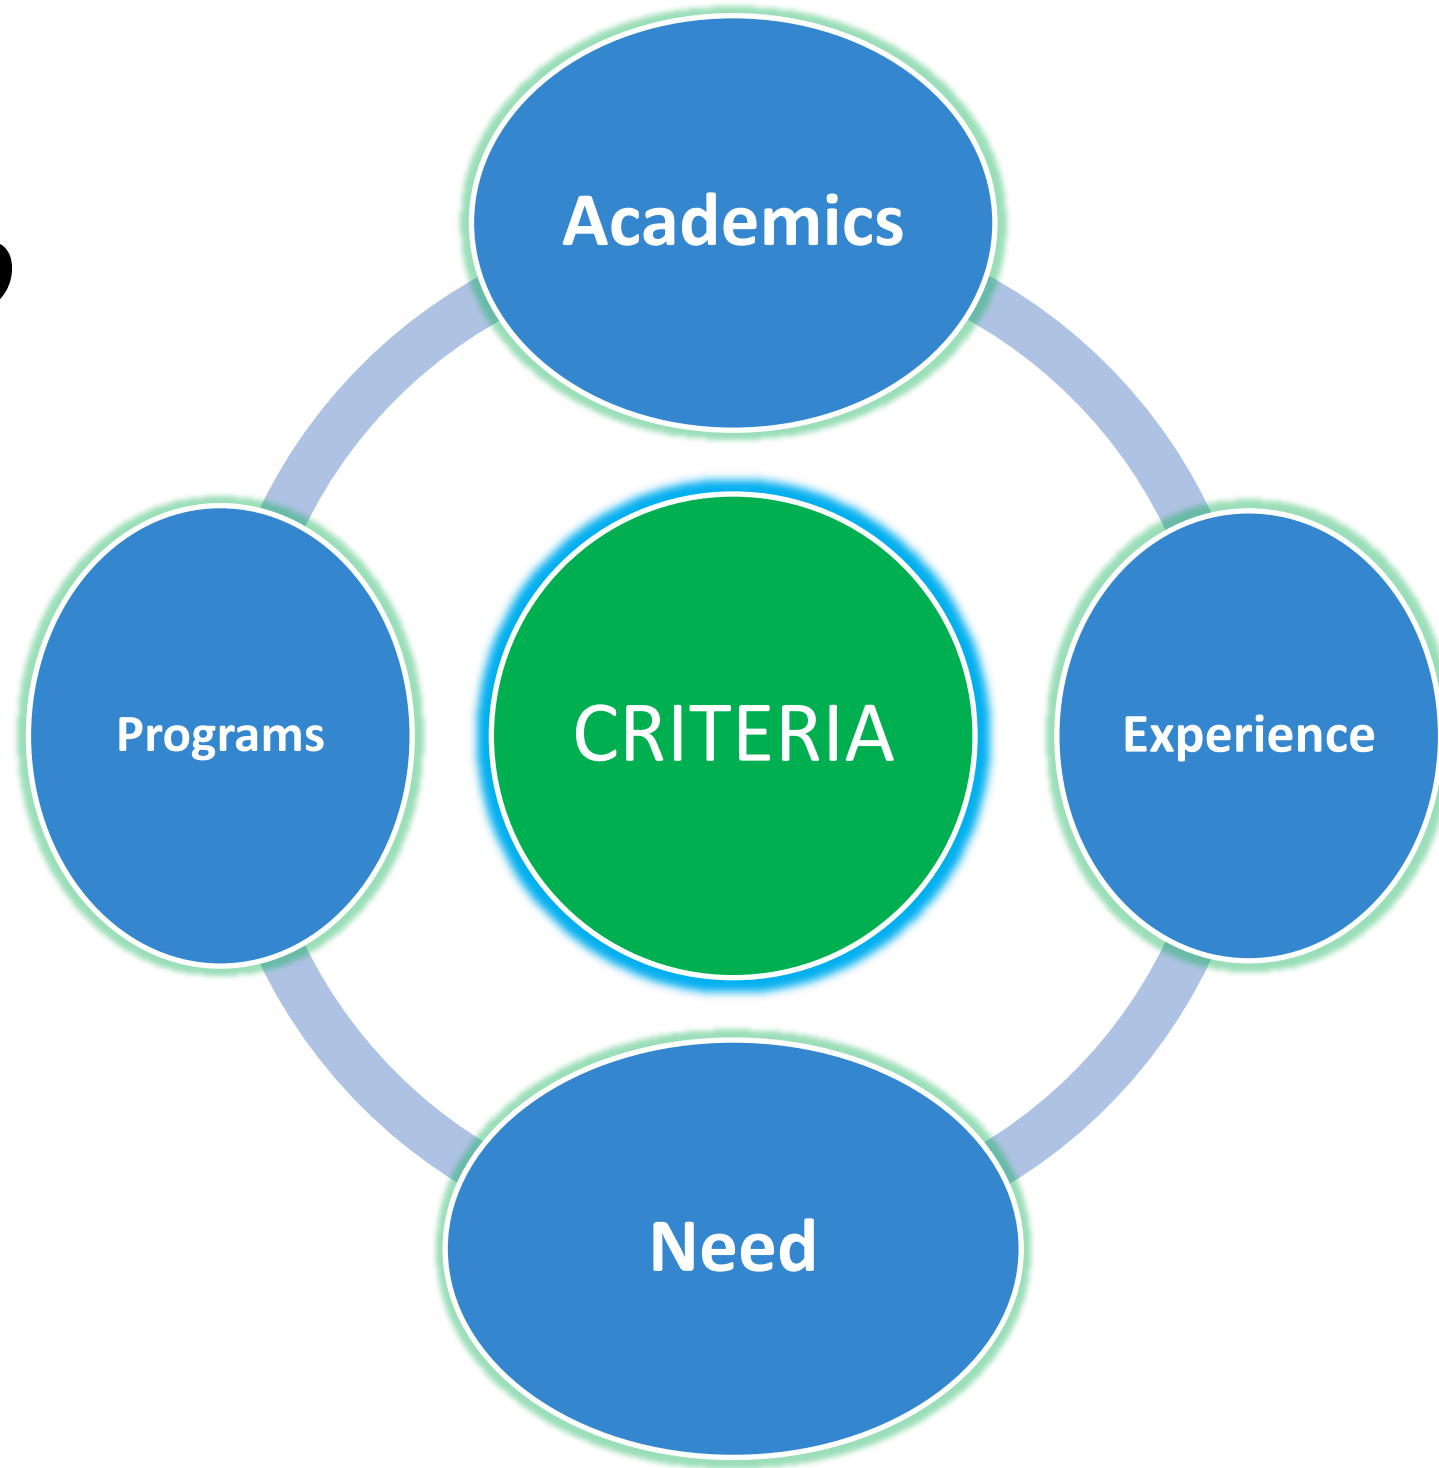

Established in 1945, The Pittsburgh Foundation is one of the nation's oldest community foundations and is the 13th largest of more than 750 community foundations across the United States.

As a community foundation, our resources comprise endowment funds established by individuals, businesses and organizations with a passion for charitable giving and a deep commitment to the Pittsburgh community. The Foundation currently has more than 2,000 individual donor funds and, together with its supporting organizations, assets of more than \$1.14 billion. Grantmaking benefits a broad spectrum of community life within Pittsburgh and beyond.

THE POWER TO SHAPE FUTURES

“This is about the incredible generosity of a stranger. I know that this is a scholarship and not a loan, but I feel obligated to repay the committee by continuing my pursuits to enact change. My sentiments in one word: thankful.”
