

See how Sallie Mae is helping students access and complete higher education with scholarships.

We believe opportunities to advance through higher learning should be open to everyone!

Starting in 2021, The Sallie Mae Fund, our charitable foundation, will launch scholarship programs to further promote diversity in higher education among minority students and other historically underserved communities.

Working in partnership with The Thurgood Marshall College Fund, we'll award \$3 million in scholarships over the next three years to help students achieve their dream of a post-secondary education.

Let's make it happenSM
