We are the only school in Pennsylvania eligible to offer federal Pell grants to high school students.
Why should students attend High School Academies?

SAVE SOME MONEY!
Earn up to 28 credits towards a high demand career field for a fraction of the cost while they are completing high school.
The Four-Pillar Approach to guided High-Demand Career Pathways

Clarify the Path
Create clear curricular pathways to high-demand careers

Enter the Path
Help students choose and enter their pathway --- AIM for the Future Fridays

Stay on the Path
Help students stay on their path – Champions provide early intervention and support throughout the program

Ensure Learning
Follow through & ensure high impact practices are providing improved student results & retention
