

“WE ARE PASFAA”

sing to “Sweet Caroline”

Why it began, only Bill Irwin’s knowing
But then we know we’re not that old
Was it a fling
Did aid become a bummer
Thank God PHEAA came a long

Aid, losing grants
Taking loans, paying cash, SCHOOL’S NOT FREE

We are PASFAA

Fin aid never seemed so good
I verified
Just to prove you never lied
But did you

Look at the form and we don’t seem demanding
How many times have we asked you
And when you moan
Moaning to my director
How can I help when fighting you

Aid, giving grants,
Making loans, helping you, LET US BE

We are PASFAA
Fin aid never seemed so good
I’m terrified
Just received another find
Oh no no

We are PASFAA
Fin aid never seemed so good
We are PASFAA
Who’d believe we ever could
