

**Western PA College Success Roundtable**  
**Tuesday, September 14, 2021**  
**Virtual Meeting**

Agenda

- I. Introductions
- II. Speakers

Will Patch, Enrollment Marketing Leader at Niche.com will discuss the results of the 2021 Niche Senior Survey: College Search to Enrollment.

Dr. Ian Edwards, Assistant Vice President for Student Wellbeing and Director of Counseling Services at Duquesne University, will conduct an open dialogue to discuss some of the biopsychosocial effects that the pandemic has had upon college students. It will address several of the economic, psychological, and social challenges that students face and how university communities can help students navigate those challenges. An approach that involves integrating wellbeing programming into the classroom will be emphasized.

- III. General updates to the group from your organization

Jessica Sollon, Access and Early Engagement Coordinator, University of Pittsburgh - Pittsburgh Admissions Collaboration which is a partnership between Pittsburgh Public Schools, Community College of Allegheny County, and the University of Pittsburgh to help local high school students at University Prep, Westinghouse, Sci-Tech, and Allderdice become college and career ready.
