Offer good for private student loan customers who have previously borrowed a private student loan from SoFi and are taking out a subsequent loan only, and subject to lender approval. To receive the offer, you must meet SoFi’s underwriting criteria. Once conditions are met and the loan has been disbursed, the interest rate shown in the Final Disclosure Statement will include an additional 0.125% rate discount because you have borrowed a private student loan from SoFi in the past. Offer good for existing private student loan borrowers only. Cannot be combined with other rate discounts, with the exception of the 0.25% autopay rate discount.
