RE: Benefits and value of PASFAA membership

To Whom It May Concern:

The Pennsylvania Association of Student Financial Aid Administrators (PASFAA) is a dynamic organization representing over 300 Pennsylvania institutions, lenders, and other organizations involved with higher education.

Our mission is to provide for the professional development of members and other constituencies; to advocate for access to post-secondary education; and to educate the public on financial aid and funding opportunities.

Included in membership (\$50/year for an individual; \$250/year for institutional, which encompasses all staff working at the institution's geographical location) is the following:

- Access to a wide variety of robust training opportunities
- Leadership development and support for all levels of experience
- Networking opportunities with exchange of ideas
- Annual three-day conference (additional fees apply)
- Representation in advocacy efforts
- Exposure to vendor/sponsor products and services
- Quality webinars with experienced industry professionals
- Timely legislative updates
- Access to extensive online resources
- Volunteer opportunities ranging from supporting roles to leadership positions

Additional details about PASFAA and its efforts may be found on our website: pasfaa.org.

Respectfully,

Colleen Coudriet
