Affording college is a major financial concern of American families.¹

Money is a major reason for NOT going to college²

Still, 9 in 10 parents expect their children to pursue higher education.²

Kids with a dedicated savings account in their name are more likely to go to college.³

More than 95% of jobs created during the recovery were filled by a person with at least some post-secondary education.⁴

Funds invested in your Keystone Scholars Account remain under the sole custody of the Pennsylvania Treasury Department (Treasury) until they are used for the purposes of paying for qualified higher education expenses at an institution of higher education. A list of qualified higher education expenses may be found at www.pa529.com. These funds will be invested in the Pennsylvania 529 Guaranteed Savings Plan (GSP). No additional funds may be contributed to your Keystone Scholars Account. To learn more or to open a PA 529 GSP or PA 529 Investment Plan account, please visit us at www.pa529.com.

Eligibility for Keystone Scholars is based on the child's date of birth:

- For children born to or adopted by a Pennsylvania family on or after January 1, 2019, the child must be a Pennsylvania resident at birth and at the time the Keystone Scholars funds are used. The child must also be the Beneficiary of a PA 529 College and Career Savings Program Account other than the Keystone Scholars Account at the time Keystone Scholars funds are used. If not used by the beneficiary's 29th birthday, the funds will be returned to Treasury.
- For children born to or adopted by a Pennsylvania family between January 1, 2018, and December 31, 2018, the child must be a resident of Delaware, Elk, Indiana, Luzerne, Mifflin, or Westmoreland county at birth and be a Pennsylvania resident at the time the Keystone Scholars funds are used. If not claimed by the beneficiary's first birthday or used by the beneficiary's 29th birthday, the funds will be returned to Treasury.
This presentation provides only highlights of the PA 529 College and Career Savings Program.

The Pennsylvania 529 College and Career Savings Program sponsors two plans — the PA 529 Guaranteed Savings Plan (GSP) and the PA 529 Investment Plan (I). The guarantee of the PA 529 Guaranteed Savings Plan is an obligation of the GSP Fund, not the Commonwealth of Pennsylvania or any state agency. Before investing in either plan, please carefully read that plan’s disclosure statement (available at www.PA529.com or by calling 1-800-440-4000) to learn more about that plan, including investment objectives, risks, fees, and tax implications.

Before you invest, consider whether your or the beneficiary’s home state offers any state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in that state’s qualified tuition program.
