NEWSLETTER

PENNSYLVANIA ASSOCIATION OF STUDENT FINANCIAL AID ADMINISTRATORS

VOLUME XII

MARCH, 1980

NUMBER 1

PRESIDENT'S MESSAGE

Dear Friends,

I'm pleased to announce that PASFAA has become incorporated as a non-profit educational association. The corporate name is, "Pa. Association of Student Financial Aid Administrators, Inc." Our trade name continues to be Pennsylvania Association of Student Financial Aid Administrators. We are presently pursuing state and federal tax exempt status. The executive council is reviewing and codifying our operational procedures to ensure the effective governance and management of the association.

The committees of PASFAA have been diligently working on behalf of the membership. The conference committee has selected the Mariott in Pittsburgh as the fall 1980 conference site. They are at this time developing the program agenda. The government relations committee has met on several occasions with PHEAA and has presented view points concerning related issues and pending legislation. The committee has also responded to federal proposed rules, final regulations and reauthorization.

Needless to say with the creation of the Department of Education we will be kept busy in the months ahead. We will do our best to adequately represent you.

Sincerely,

Sal Ciolino

P.S. Just received word (3/5/80) that the national appeals deadline has been extended to March 20.
