

# BUILD Pittsburgh 2023 Offerings

BUILD.org is proud to present opportunities for educators who are interested in project-based, experiential curriculum for their students.

## Southwestern PA Teacher Fellowship

Join a Professional Learning Community of like-minded teachers to learn methods implementing experiential, project-based learning opportunities in their classrooms! [Apply at build.org/fellows](https://build.org/fellows)

- \$1000 stipend and certificate for completing 9-hours of Professional Development
- Additional stipend for participation in the 2024 Southwestern PA Youth Pitch Competition
- Sponsored by BNY Mellon

## Partner With BUILD.org

Become a BUILD.org Partner school and access our curriculum along with guides, digital content, and project-based learning activities.

### **BUILD Your BUSINESS:**

- Entrepreneurial Mindset: Social-emotional learning Foundations, Design Thinking, Production, Marketing, Finance, Pitch
- Post-Secondary Skills: Entrepreneurial Mindset, Leadership Development

## Annual Youth Pitch Competition

Student teams compete in the Southwestern PA Youth Pitch Competition. Teams will act as entrepreneurs to create a product, service, or campaign to support a thriving community.

- \$500 DonorsChoose Gift Card!
- Cash Prizes for students and educators
- Free Professional Development
- Free Project-Based Curriculum
